

# The Ultimate Guide to Dumpster Rentals in New Jersey

A Smarter, Simpler Way to Rent a Dumpster

[www.hsdumpsters.com](http://www.hsdumpsters.com)

# Introduction

At HS Dumpsters, a division of A. Patullo Companies, we know that renting a dumpster isn't just about tossing debris, it's about making your project easier, cleaner, and more efficient. Whether you're cleaning out your garage, renovating a kitchen, or managing a construction site, the right garbage dumpster rental can save you time, stress, and money. Since 1989, we've served homeowners and contractors across New Jersey with integrity, affordability, and genuine care because we believe every client deserves more than just a waste container. You deserve a partner who understands your time, space, and waste disposal needs.

In this guide, you'll learn everything you need to know about roll-off dumpster rentals, from choosing the right dumpster size (including our 10, 15, 20, 30, and 40-yard options), to understanding what can and can't be thrown away, how long you can keep your dumpster rental, and whether you'll need a permit. We'll also explain what to do with materials that aren't allowed in dumpsters and why we care deeply about safe, environmentally responsible disposal.

If you're wondering how much dumpster rentals cost, if you can rent a dumpster for yard waste, or if dumpster rental companies recycle, you'll find clear, honest answers here. At HS Dumpsters, our job goes beyond waste removal. We're here to help you complete your project with confidence and peace of mind.

Let's get started.

## How to Choose the Right Size Dumpster

Selecting the correct waste container rental size is key to avoiding extra fees and delays. HS Dumpsters offers a full range of roll-off dumpster sizes for every kind of job:

Size	Best For	Capacity	Dumpster Rental Price (within 20 mi)
10-Yard	Small cleanouts, yard debris	~3 pickup truck loads	<a href="#">Please visit website for updated pricing</a>
15-Yard	Light renovations, attic/basement cleanouts	~4.5 pickup truck loads	<a href="#">Please visit website for updated pricing</a>
20-Yard	Medium projects like flooring or roofing	~6 pickup truck loads	<a href="#">Please visit website for updated pricing</a>
30-Yard	Home remodels, large renovations	~9 pickup truck loads	<a href="#">Please visit website for updated pricing</a>
40-Yard	Construction, demolitions, bulky materials	~12 pickup truck loads	<a href="#">Please visit website for updated pricing</a>

# Dumpster Rental Duration

## How Long Can You Keep a Dumpster Rental?

All dumpster rentals include a 7-day rental period. Need more time? No problem, extensions are available.

## Overage charges:

\$60 per ¼ ton over your weight limit, plus tax. Overfilled dumpsters may require return trips and additional fees, so be sure to load below the rim.

## Can you rent a dumpster for a day?

Yes! Short-term rentals are available. Just let us know your schedule.

# Do You Need a Permit for Dumpster Rentals in New Jersey?

It depends on where you place the dumpster:

- Private property (driveway, lot): Usually no permit required.
- Public property (street, sidewalk): You'll likely need a permit.

Our service areas include most of Hunterdon, Somerset, and southern Warren County. Each township may have unique requirements, but we're happy to help you check with your local municipality or public works department.

## What You Can Throw Away in a Dumpster Rental?

Our dumpsters are great for almost anything non-hazardous:

- Furniture, mattresses, and general junk
- Appliances (without Freon)
- Construction debris (wood, drywall, tiles, shingles)
- Yard waste (branches, leaves — ask us about dirt or sod)
- Moving waste
- Demolition debris
- Roofing materials

Yes, you can rent a dumpster for yard waste, as long as it doesn't include restricted materials like treated wood or chemicals.

# What You Cannot Throw in a Dumpster

Certain items are prohibited due to environmental and safety regulations. These include:

- Hazardous waste (paint, solvents, pesticides, asbestos)
- Electronics & batteries (TVs, computers, printers, etc.)
- Freon appliances (refrigerators, AC units)
- Medical waste
- Propane tanks or flammable liquids
- Automotive fluids (oil, antifreeze)

**Why?** These items are classified as dangerous or toxic by the NJDEP and cannot be safely handled at standard waste transfer stations.

# Other Options for Hard-to-Dispose-of Items

Don't know where to bring your e-waste or household chemicals? Here are some alternatives:

## Hazardous Materials

Check your county's household hazardous waste collection events.

## Electronics & Batteries

Recycle at e-waste drop-off locations or retailers like Best Buy.

## Appliances with Freon

Contact your utility provider for disposal programs.

## Oil & Other Car Fluids

Most auto parts stores accept these.

## Propane Tanks

Return to supplier or local recycling center

Many of these items are recyclable. Let's keep them out of landfills!

# Why Choose HS Dumpsters?

At HS Dumpsters, we're more than just a dumpster rental company — we're a trusted partner in your cleanup, construction, or renovation project. As a locally owned and operated business with deep roots in New Jersey, we pride ourselves on doing things differently: with integrity, professionalism, and a genuine commitment to your satisfaction.

## **Locally Owned & Family Operated Since 1989**

We're not a national chain. We live and work in the same communities we serve, and we treat every customer like a neighbor. Led by Alexander Patullo Jr., HS Dumpsters is built on decades of experience in construction and waste management, with a strong sense of responsibility to do things right.

## **Fast, Reliable Dumpster Delivery & Pickup**

We know that timing matters. That's why we offer prompt, flexible drop-off and pickup. Whether you're clearing out a home or running a construction site, you can count on us to show up on time and ready to help.

## **Personalized, Responsive Customer Service**

Need help choosing the right dumpster size? Not sure if you need a permit? Just have a quick question? Our friendly, knowledgeable team is just a call or email away. No call centers, no runaround — just real people ready to support you every step of the way.

## **Transparent, All-Inclusive Pricing**

With HS Dumpsters, what you see is what you pay. Our flat-rate pricing includes delivery, pickup, and a generous rental period — with no hidden fees or surprise surcharges. We'll always explain overage charges upfront, and help you avoid them.

## **Proudly Serving Central and Western New Jersey**

We cover most of Hunterdon, Somerset, and southern Warren County, including Clinton, Flemington, Bridgewater, Hillsborough, Phillipsburg, and surrounding towns. Not sure if you're in our service area? Visit our [service area](#) page!

## Frequently Asked Questions

These are the most common dumpster rental questions we get from NJ homeowners and contractors — answered simply and clearly.

### **How much does it cost to rent a dumpster in New Jersey?**

Please visit our [website](#) for the updated prices. Overage and permit fees may apply.

### **Can I rent a dumpster for just one day?**

Yes! We offer short-term rentals. Let us know your project timeline and we'll work with you to schedule drop-off and pickup as needed.

### **Do I need to be home for delivery or pickup?**

No, just ensure the drop-off location is clear and accessible. You can leave special instructions when you book.

### **What happens if I overfill the dumpster?**

Overfilled dumpsters may not be picked up for safety reasons. You may be charged for a second trip or overage fees. Always load below the rim and distribute weight evenly.

### **Do I need a permit to place a dumpster on the street?**

Usually, yes. We'll help you determine if your municipality requires a street permit and assist with the process if needed.

## A Message From Our Founder

*"When you rent a dumpster from HS Dumpsters, you're not just renting a box — you're trusting us with your time, your space, and your project. That's something I take personally. It's our honor to serve our customers with honesty, hard work, and care in every job we do."*

# DUMPSTER RENTAL PREP CHECKLIST

Before Delivery, During Use & Pickup

## BEFORE YOU RENT:

- Estimate how much debris you'll generate
- Choose a dumpster size (see size chart)
- Identify a flat, clear spot for delivery
- Ask if a permit is needed for your location
- Make a list of materials you'll be disposing
- Review our list of prohibited items
- Schedule your preferred drop-off and pickup dates

## ON DELIVERY DAY:

- Clear the area of vehicles, tools, and obstacles
- Ensure at least 10–12 feet of width for truck access
- Confirm that no overhead wires or branches are in the way
- Mark or flag where you'd like the dumpster placed
- Keep children and pets clear of the delivery zone
- Load debris evenly and below the top edge of the container
- Avoid placing prohibited items inside

**Need help?** Our team is just a call away to make sure you're ready.

## BEFORE DUMPSTER PICKUP:

- Finish loading and ensure debris is level with or below the top
- Double-check for prohibited or hazardous materials
- Make sure nothing is hanging over the sides
- Clear the area in front of the dumpster for truck access
- Notify neighbors or move parked cars if needed
- Call or confirm your scheduled pickup time if required

**Tip:** Overfilled dumpsters may require rescheduling and incur additional fees. Be sure your load is secure and safe for transport.
